

TLP: CLEAR (UNRESTRICTED)

NEXT EVENT – HYBRID:

Tuesday 2nd April 2024 12:00 - 1:30 pm NZT
MS Teams and SGS ECL New Plymouth office.

For the next forum, we will be discussing ICS cyber assessment methodologies with:

- [Hiroshi Sasaki \(Japan\)](#), Fortinet OT and Associate Professor, Nagoya Institute of Technology, Japan
- [Don Weber \(USA\)](#), Cutaway Security and SANS ICS410 Instructor
- Open discussion on ICS cyber assessment
- Hosted by [Peter Jackson \(NZ\)](#), SGS ECL and SANS ICS515 instructor

Members will be sent a calendar invite with remote access instructions.

Register at <https://icscopyer.org.nz> to join the technical network (membership is free).

ICS/OT PKI FORUM:

We're interested in running a forum on ICS/OT PKI. If you have thoughts on this topic, please email info@icscopyer.org.nz

NZ ICS CYBER TECHNICAL NETWORK

AUDIENCE:

Representatives from owner, operator, and service provider organisations with an interest in ICS Cyber Security in NZ.

GROUND RULES:

- [NCSC Traffic Light Protocol](#) to be used for all information transfer (primarily TLP: GREEN – 'share with peers and partners but not publicly')
- Specific company standards and practices will not be shared unless approved in writing by the company.
- No commercially or contractually sensitive information will be exchanged or discussed (although vendors may be invited to attend and describe their solutions and approaches to ICS Cyber Security).
- The information shared is intended to educate and promote learning. The steering committee will accept no liability resulting as a use of the information or offer any guarantee of the accuracy of the information.

PURPOSE/AIM:

An industry-led organisation established to promote the sharing and understanding of Industrial Control Systems (ICS) Cyber Security ideas in order to foster learning, development and improve cyber security maturity for NZ industrial companies.

MEMBERS:

- ~250+ members across NZ
- IT/OT/ICS [mainly] technical roles
- Power/energy/utilities/transport/water/manufacturing sectors represented
- Members from across NZ & beyond

TALKS:

- 55+ presentations given to the NZ ICS Cyber community since Q1 2019
- 15+ forum events & 2 summits held to date

Register at <https://icscopyer.org.nz> or email info@icscopyer.org.nz for more information
